**Re: PPE – Protective Face Shields**

Dear Sir/Madam,

With the recent increase in COVID-19 cases and the current lockdown that our country is experiencing, Netcare 911 has made a conscious decision to assist in ensuring the safety of our dedicated healthcare workers.

We are in a process of making home-made face shields however we require assistance from anyone in the Gauteng region that can assist with 3D printing. It is of vital importance that we emphasize that anyone volunteering to assist should do so from home and not violate the regulations implemented by government. We would appreciate if you could assist us in printing or provide us with your printer and filament.

Should you require any further information please do not hesitate to contact Kevin Klempman on 078 407 5033 or Katherine de Bruin on 061 488 7266.

We thank you for joining us as we continue on our journey of saving lives.

Yours sincerely,

---

Craig Grindell  
Managing Director: Netcare 911
